place of birth ..... date of birth.....

**I declare:**

- To accept the rules and regulations of the PID – INTERNATIONAL DANCE AWARD "CITY OF RIETI" competition, which will take place from April 24 to 27, 2025;
- To commit to reviewing any changes and updates to the schedule and the rules and regulations;
- To allow the participation of my child in the competition and to provide suitable and correct supervision, if necessary, to ensure that my child also complies with the provisions in the rules;
- To grant permission and authorization for the use of the video recorded, guaranteeing that no third-party rights exist on the video and indemnifying the association, its members, sponsors, and organizers who will use it from any third-party claims;
- To grant permission and authorization for the publication of photographs (websites, social media channels, posters, etc...), in accordance with the cultural purposes of the competition and the general principles regarding the protection of image rights and decorum, and to waive any compensation for the use and dissemination of these images;
- To confirm that I possess a medical certificate for my child, indicating he/she is in good health and have no temporary or permanent contraindications to practicing dance. I therefore release the organization of the PID – INTERNATIONAL DANCE AWARD "CITY OF RIETI" from any responsibility regarding the health condition of my child. I also authorize the Competition Management to process and store my child's medical data;
- To confirm being adequately informed about the handling of data and the rights to update, correct, or delete such data, and to accept that, in accordance with Legislative Decree 196/2003, personal data of both myself and my child may be used for the management of activities related to the competition, including both paper and digital records, as well as for publication in print media, on websites, or through digital dissemination channels.

Finally, the undersigned commit to promptly notifying the Competition Management of any changes to the data provided.
